

ATELIER TOTORI: THE ADVENTURER OF ARLAND HITS THE STREETS THIS FALL!

Santa Ana, Calif. – NIS America is excited to announce the fall release of *Atelier Totori: The Adventurer of Arland* in North America and Europe exclusively for the PlayStation®3 (PS3™) computer entertainment system! *Atelier Totori* follows the story of a new alchemist and her travels around Arland several years after the events of *Atelier Rorona: The Alchemist of Arland*. Fans of *Rorona* will surely enjoy *Totori*'s story as well as the more in-depth synthesis and battle systems!

Introduction:

The small fishing village of Alanya on the Arland Republic's southern border is home to the young alchemist-in-training Totoria Helmod. She is called Totori by her friends and family, and she wishes to become a great adventurer. One day, she resolves to make the journey to Arland, become an adventurer, and explore the world beyond her hometown. She will make many friends along her journey of discovery — some new, some familiar. When her quest comes to a close, your actions over the course of the game will dictate whether she finds the answers to her questions, forge unbreakable bonds with friends, or take different paths entirely.

Game Features

- Travel and map the Republic of Arland over several years, exploring dozens of unique locales.
- Synthesize hundreds of items: ingredients, weapons, armor, and explosives to help you on your journey.
- Classic turn-based RPG combat brings strategy and a sense of nostalgia for gamers new and old.
- Several unique endings to experience will keep you playing even after finishing it the first time.

About NIS America

NIS America is a subsidiary of Nippon Ichi Software, Inc., a Japanese company famous for its unique line of strategy RPGs including titles such as *Disgaea*, *Prinny*, and *Z.H.P.* In 2003, NIS America was established in Southern California to publish exciting and innovative game titles for North America. Today, NIS America has expanded to bring various products from Japan, like video games, animation, and collectable items.

NIS America's team members devote themselves to the fans. Our respect for our fans is at the heart of everything we do. As a growing strategy RPG publisher in the U.S., we are committed to continuous improvement and dedication.
