KIMI NI TODOKE -FROM ME TO YOU- VOLUME 1 PREMIUM EDITION

About *kimi ni todoke -From Me to You-*:

Sawako Kuronuma has had a difficult time fitting in. Some say it's her hair, others say it's her hushed manner of speaking, while still others claim it is due to her name's similarity to Sadako, a character from a popular Japanese horror series. On her first day of high school, Sawako meets the one boy who treats her like a normal girl—Shota Kazehaya. Through his selfless aid, Sawako slowly learns to come out of her shell and even begins to make friends for the first time in her life. However, with a new social life come social pressures. Rumors begin to circulate about her, her friends, and even the kindhearted Kazehaya. As she grows into her new identity, Sawako must learn to deal with such pressures as well as start to understand the unfamiliar feelings inside of her, especially in regards to the boy who made her new start possible.
