

## DISGAEA 3 TROPHY UPDATE PATCH SCHEDULED FOR RELEASE IN EUROPE!

Santa Ana, CA (Apr 21, 2010) – NIS America announced today that a trophy update patch for Disgaea®3: Absence of Justice will become available on **5/13/2010 PST** in Europe. The patch will add the trophy function to Disgaea 3 and allow players to gain Trophy points by accomplishing the various requirements.

### About Disgaea®3

Disgaea®3 is a sequel to Disgaea®, a hardcore, turn-based, strategy RPG popular on the PlayStation®2 and PlayStation® Portable. In Disgaea®, character units have a limit to their movement and attack ranges, based on level and weapons equipped. There are other special game factors that let you take advantage of the 3D battle map, many of which are unique to Disgaea®.

One of the many new feature to Disgaea®3 is the addition of a Geo Block, which creates a 3 dimensional battle instead of the traditional 2D. Much of Disgaea®3 is yet to be unveiled, but rest assured, plenty is due to arrive in the coming months.

### About NIS America

NIS America is a subsidiary of Nippon Ichi Software, Inc., a Japanese company famous for its unique line of strategy RPGs including titles such as Disgaea, Phantom Brave, and Makai Kingdom. In 2003, NIS America was established in Southern California to publish exciting and innovative game titles for North America. NIS America's team members devote themselves to the fans. Our respect for our fans is at the heart of everything we do. As a growing strategy RPG publisher in the U.S., we are committed to continuous improvement and dedication.

### About Nippon Ichi Software

Nippon Ichi Software was founded in 1994 in Gifu, Japan, as an entertainment software company. Since then Nippon Ichi Software has grown into an international company focused on creating innovative video game products.
