

For immediate release

# DISGAEA®: NETHERWORLD UNBOUND COMING TO THE ANDROID PLATFORM!

Santa Ana, Calif. – NIS America announced today that *Disgaea: Netherworld Unbound* for the Android platform will be coming to the US this year. *Disgaea: Netherworld Unbound* builds upon the original *Disgaea*'s intuitive battle system and quirky storyline, with an engine optimized for Android cell phones. Players can explore and expand their *Disgaea: Netherworld Unbound* gameplay experience even more by purchasing characters, items, features, and more.

The game will be released through GMO GAMECENTER USA and will be playable on Android-based phones.

## About *Disgaea®: Netherworld Unbound*

*Disgaea*'s game system is simple yet addictive. It has the same basic concept as other strategy RPGs, but uses many unique features and enhancements that make this game unprecedented. The Android version of *Disgaea* has been streamlined, but it will keep the same gameplay we all know and love.

\*Some characters shown in the screenshots may be available with additional fees.

## About NIS America

NIS America is a subsidiary of Nippon Ichi Software, Inc., a Japanese company famous for its unique line of strategy RPGs including titles such as *Disgaea*, *Prinny*, and *Z.H.P.* In 2003, NIS America was established in Southern California to publish exciting and innovative game titles for North America. Today, NIS America has expanded to bring various products from Japan, like video games, animation, and collectable items.

NIS America's team members devote themselves to the fans. Our respect for our fans is at the heart of everything we do. As a growing strategy RPG publisher in the U.S., we are committed to continuous improvement and dedication.
