

For immediate release

## MUGEN SOULS™ RELEASES EXCLUSIVELY ON PS3 THIS FALL IN NORTH AMERICA AND EUROPE!

Santa Ana, Calif. (March 29, 2012) – NIS America proudly announced their plan to release *Mugen Souls* in North America and Europe later this year exclusively for the PlayStation 3. *Mugen Souls* features a free-roaming battle map, turn-based combat, and massive amounts of customization and growth to maximize the fun fans can have with the game.

### About *Mugen Souls*

There exists a small galaxy in the universe containing seven worlds, shimmering in seven colors... These worlds exist and act independent of one another. This has allowed them to develop and nurture rich, unique cultures. Then one day, a decree was sent out...

"I'm gonna make *everything* in each of these worlds bow to me!"

– The Undisputed Goddess, Chou-Chou

### Features

- **Expansive worlds to explore:** Travel freely on each world to explore and find treasures and items. Monsters are roaming about, so be cautious or fight them head-on and make them your subservient peons!
- **Free-roaming style battle maps:** Use Combo attacks to execute spectacular moves with your allies! Destroy Crystals on the battlefield to activate Hyper mode!
- **Moe Kill:** Execute the Moe Kill technique to enslave enemies and turn them into items by exploiting their weaknesses!
- **Customization:** Create a full cast of characters! Customizable body parts, facial expressions, and job classes!

**Notice:** Due to the sensitive nature of some content, NIS America has decided to edit certain aspects of this title for its North American and European releases.

### About NIS America

In 2003, NIS America was established in Southern California to bring exciting, one-of-a-kind Japanese culture to North America. NIS America's team members devote themselves to the fans. Their respect for their fans is at the heart of everything they do. As an established entertainment publisher in the U.S., NIS America is committed to continuous growth and improvement.

NIS America is a subsidiary of Nippon Ichi Software, Inc., a Japanese company famous for its unique line of strategy RPGs with titles such as *Disgaea*, *Phantom Brave*, and *Makai Kingdom*. NIS America has also become a publisher of Japanese anime titles, such as *Toradora!*, *WAGNARIA!!*, and *Katanagatari*.
