

MUGEN SOULS SHIPS TO RETAILERS NATIONWIDE OCTOBER 17TH.

Santa Ana, Calif. (October 10, 2012) – NIS America announced today that *Mugen Souls*™ will ship to retailers nationwide on October 17, one day later than planned, due to a rescheduling in shipping. *Mugen Souls* will be available exclusively for the PlayStation®3 computer entertainment system, and features a free-roaming battle map, turn-based combat, and massive amounts of customization and growth to maximize the fun fans can have with the game.

About the game:

There exists a small galaxy in the universe containing seven worlds, shimmering in seven colors... These worlds exist and act independent of one another. This has allowed them to develop and nurture rich, unique cultures. Then one day, a decree was sent out...

"I'm gonna make *everything* in each of these worlds bow to me!"

– The Undisputed Goddess, Chou-Chou

Key features:

- **Expansive worlds to explore:** Travel freely on each world to explore and find treasures and items. Monsters are roaming about, so be cautious or fight them head-on and make them your subservient peons!
- **Free-roaming style battle maps:** Use Combo attacks to execute spectacular moves with your allies! Destroy Crystals on the battlefield to activate Hyper mode!
- **Moe Kill:** Execute the Moe Kill technique to enslave enemies and turn them into items by exploiting their weaknesses!
- **Customization:** Create a full cast of characters! Customizable body parts, facial expressions, and job classes!

Notice: Due to the sensitive nature of some content, NIS America has decided to edit certain aspects of this title for its North American and European releases.
