In the lush world of Veldime, the curse that was placed upon the planet by Overlord Zenon is turning the people into demons, and transforming the world into a Netherworld. After 15 years of living as demons, the citizens of Holt Village are finally ready to perform a ritual to summon Overlord Zenon. Now Adell, a young demon hunter, Rozalin, the daughter of the Overlord who was mistakenly summoned, and an assassin from another Netherworld, Etna, are all looking for Zenon.
