Santa Ana, Calif. (December 16, 2014) – NIS America is happy to officially announce that the next entry in the long-lived *Disgaea* series, *Disgaea 5: Alliance of Vengeance* will be arriving in North America and Europe in the fall of 2015, exclusively for the PlayStation®4! This title will be available as both a physical and digital release.

About the game:

The sixth home console entry to the legendary *Disgaea* series tells a tale of revenge, and of rebellion. As a new and terrible Overlord named Void Dark seeks to enslave the countless Netherworlds, one young demon has stood to end his reign—Killia. In *Disgaea 5*, lead Killia and his tenacious army of rebels on their dark and dangerous path to vengeance. Filled with more over-the-top action and hilarious writing than ever before, *Disgaea 5's* damage numbers are surely headed for the record books.

Features:

Alliance Attacks: New to the *Disgaea* series, your relationship with your teammates influences a new battle system called Alliance Attack. These special moves are only available to main characters and only when their relationships are appropriately aligned.

Recruitment: A familiar feature for *Disgaea* faithful, this system lets you choose from over 40 races and jobs, and identify new party members with the exact traits you desire.

Revenge Mode: A game about vengeance wouldn't be complete without a character stat boosting system based on revenge, would it? The Revenge Mode empowers your characters with bonus stats when they've become fed up of their allies being beat on.

Explore the Netherworlds: While previous games in the series have shown a glimpse of the darkness that is the Netherworlds, *Disgaea 5* takes you to a myriad of those dark lands.

Definitely over 9,000: In true *Disgaea* fashion, *Disgaea 5* harnesses the power of the PlayStation®4 to deliver battles with a ridiculous number of enemies and outrageous damage.
