The Everyday Tales of Cat God Complete Series Premium Edition

About the show:
Mayu is a cat god, but she is no ordinary god. She has been cast down from the heavens and is now doomed to suffer on Earth…because she just could not stop getting into trouble! One day, she is taken in by the earnest and kind Yuzu, who owns an antiques shop called "Antiques Unlimited." Yuzu quickly learns that Mayu's godly level of laziness knows no bounds, as she would rather play video games than turn over a new leaf. The everyday tales of this cat god and her harrowing adventures to the candy shop, a landfill, a beach resort, and more show Mayu and her friends that sometimes, the simplest things in life are the best. There is also Gonta, who is obsessed with Yuzu, but Mayu wanted his role in this summary to be minimal. So there you have it.

- Hardcover art book (full color, 32 pages), which gives even more personal detailed information about each character from *The Everyday Tales of a Cat God*, along with illustrations, a story guide, and more!
