

FAIRY FENCER F TO HIT NORTH AMERICA AND EUROPE THIS AUTUMN!

San Francisco, Calif. (February 13, 2014) – Tonight NIS America announced the acquisition of *Fairy Fencer F™* for digital and physical release in the North American and European markets for the PlayStation®3 system in 2014! Developed by COMPILE HEART, *Fairy Fencer F* is a turn-based RPG that features concept art by Yoshitaka Amano, character art by Tsunako, and music by Nobuo Uematsu who are known for their work on the classic *Final Fantasy* series.

About the game:

Long ago, a dreadful war was fought between the Goddess and the Vile God. Because they were equally matched, they both created a vast number of special weapons imbued with their godly energy, each containing the life force of a fairy. Armed with these weapons, the deities continued their conflict until they finally sealed each other away into the great unknown. A long time has passed since this ancient conflict, and the weapons created by the Goddess and the Vile God have since been scattered across the world. These weapons—now known as “Furies”—are highly sought after by warriors who call themselves “Fencers”. It is said that whoever collects a Fury will be granted one wish. When a young man named Fang decides to rashly pull a Fury from a stone, he inadvertently becomes a Fencer himself, forever altering the course of his destiny.

About NIS America

In 2003, NIS America was established in Southern California to bring exciting, one-of-a-kind Japanese culture to North America. NIS America’s team members devote themselves to the fans. Their respect for their fans is at the heart of everything they do. As an established entertainment publisher in the U.S., NIS America is committed to continuous growth and improvement.

NIS America is a subsidiary of Nippon Ichi Software, Inc., a Japanese company famous for its unique line of strategy RPGs with titles such as *Disgaea*, *Phantom Brave*, and *Makai Kingdom*. NIS America has also become a publisher of Japanese anime titles, such as *Toradora!*, *anohana: The Flower We Saw That Day*, and *Natsume’s Book of Friends*.
