About NIS America

NIS America is a subsidiary of Nippon Ichi Software, Inc., a Japanese company famous for its unique line of strategy RPGs including titles such as Disgaea, Phantom Brave, and Makai Kingdom.

In 2003, NIS America was established in Southern California to publish exciting and innovative game titles for North America. NIS America's team members devote themselves to the fans. Our respect for our fans is at the heart of everything we do. As a growing strategy RPG publisher in the U.S., we are committed to continuous improvement and dedication.

GAME FEATURES

Action Battle – The Ar tonelico series has received a brand new battle system. Now you can take part in the action while running and attacking with full control of your character!

Song Magic - During combat, song magic can be utilized by timing attacks according to the rhythm of the music. The better your rhythm, the stronger your magic becomes.

Cosmosphere - Ar tonelico features a revolutionary system that combines character development with skill acquisition. By diving into a Reyvateil's subconscious, one gets to know the character of the team member better. Deepen your relationships with characters to unlock new spells!
