Spectral Souls™: Resurrection of the Ethereal Empires has been released!

Spectral Souls™: Resurrection of the Ethereal Empires for the PSP® is in stores now.

Santa Ana, Calif. (Sep. 27, 2006) - NIS America, Inc. announced today that Spectral Souls™: Resurrection of the Ethereal Empires for the PSP® (PlayStation® Portable) handheld entertainment system has been released.

Spectral Souls™ was developed by Idea Factory, and because of its unique battle system and detailed and distinguished character designs, this title was highly praised by RPG fans throughout Japan. Spectral Souls™ also gives players the chance to explore their creativity and discover deadly, damaging attacks with the Combo and Chain Skill systems. Lastly, with the grid-based map, this title is a throwback to its traditional SRPG roots.

“Idea Factory’s games are well known for their beautiful graphics and Spectral Souls™ is no exception. This game also features a unique and fun battle system. Hope you enjoy this amazing game!” said Haru Akenaga, president of NIS America, Inc.

About Spectral Souls™: Resurrection of the Ethereal Empires

<http://www.nisamerica.com/games/ss/>

A vicious circle of violence has erupted. The battle torn continent of Neverland is once again caught up in a great war between humans and demons. Now, three young soldiers rise to put an end to this madness once and for all.

In Spectral Souls™, the player will switch between the three opposing kingdoms to play

as the Reformed Simba Empire, the Imperial Neverland Army, or the Rozess Liberation Army. The game's storyline will change depending on how you progress through the game with each of the forces.

Key Features

- Switch between the 3 main armies
- Unique combo attack systems
- Massive item synthesis system
- Grid based battle map

About Idea Factory

Based in Shibuya-ku, Tokyo, Japan, Idea Factory is a multimedia/game software developer and publisher. Since the launch of its very first PlayStation®2 title in 1996, Idea Factory has been developing revolutionary Strategy RPGs like the Generation of Chaos™ series and Spectral Souls™ series. Both series are highly praised in Japan for their unique and engaging play styles. Today Idea Factory continues to offer entertainment that crosses both nations and generations.

About NIS America, Inc.

NIS America, Inc., (NIS America) subsidiary of Nippon Ichi Software, Inc. of Japan (Nippon Ichi Software), established its North American operations on December 24, 2003. Based in Santa Ana, California, NIS America. is a game software publisher that localizes, markets, and publishes Nippon Ichi Software titles among others.

Nippon Ichi Software was founded in 1994 in Gifu, Japan, as an entertainment software company. Since then Nippon Ichi Software has grown into an international company focused on creating innovative video game products.

NIS America is committed to marketing the most innovative and creative titles in the industry. We at NIS America will continue to work hard to bring exciting new titles to satisfy both our fans and new users.
