For immediate release

DRAGON'S CROWN TO HIT EUROPE ON OCTOBER 11!

Santa Ana, Calif. (August 14, 2013) – NIS America is proud to announce that ***Dragon's Crown™*** will release throughout Europe on October 11 on both the PlayStation®3 and PlayStation®Vita consoles. An exclusive *Dragon's Crown* artbook will also be available to those who preorder at select European retailers. Developed by Vanillaware and directed by George Kamitani, *Dragon's Crown* is a 2D multiplayer action beat 'em up from the developers of *Odin Sphere* and *GRiMgRiMoiRe*. *Dragon's Crown* features breathtaking visuals that bring the fantastic characters and monsters to life with fluid artistry. Players can engage in local or online co-op play for dozens of hours of intense dragon-slaying action.

For more information, visit http://www.atlus.com/dragonscrown

Key Features:

Unparalleled HD visual design: From the maker of *Odin Sphere*, Vanillaware painstakingly hand-paints every detail—creating a lush, vibrant storybook aesthetic where everything is animated in gorgeous full 1080p HD.

Play as 6 unique character classes: Choose from 6 fantastical characters—each possessing different abilities and strengths that will aid you as you traverse through the darkest of dungeons.

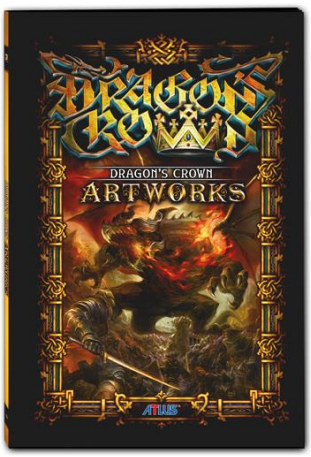

Up to 4 person multiplayer action: Play cooperatively to overcome your foes with up to 3 of your friends locally or via PlayStation®Network on the PS3 or PS Vita. Each time players adventure together, they can expect a different experience and hours of satisfying adventuring. Cross-platform play is not supported, but players can engage in local and online multiplayer.

Loot galore: Dungeons aren't just about the fighting! Unseen treasures are hidden inside locked chests, and they can be appraised to determine their strength. See if you can find rare treasures!

Customize your journey: Earn Skill Points by completing quests or leveling up, and use them to enhance your character's abilities with common and class-specific skills!

Dungeon variety: Monsters won't be the only obstacles on your journey. Dungeons also contain traps and hidden rooms! Explore the dungeons and conquer them all!

About NIS America

In 2003, NIS America was established in Southern California to bring exciting, one-of-a-kind Japanese culture to North America. NIS America's team members devote themselves to the fans. Their respect for their fans is at the heart of everything they do. As an established entertainment publisher in the U.S., NIS America is committed to continuous growth and improvement.

NIS America is a subsidiary of Nippon Ichi Software, Inc., a Japanese company famous for its unique line of strategy RPGs with titles such as *Disgaea*, *Phantom Brave*, and *Makai Kingdom*. NIS America has also become a publisher of Japanese anime titles, such as *Toradora!, Natsume's Book of Friends,* and *anohana: The Flower We Saw That Day*.
